Student Rights And Responsibilities

Expectations of all at Xavier College

We are called upon to live out our motto, "**For the Greater Good**", by remembering that we live and work with others, not in isolation. As we grow as people, we must learn to consider others and the consequences of our actions on other people.

The model for our actions can be found in the life and teachings of Jesus of Nazareth. All schools have codes of behaviour just as society has laws and codes of conduct. However, the most important aspect of school and life is: will my action(s) benefit or hurt others?

College expectations will ask you to make choices which are just, for all and not for yourself alone. This is the key to decision making at the College: will our actions advance the greater good?

Rights and responsibilities of students at Xavier College

Self-discipline and student accountability underpin the approach to discipline at Xavier College. Self-discipline calls upon all students to account for their behaviour and take responsibility for their actions. Students are challenged to take responsibility for their own decision-making and to learn to accept the consequences of their actions.

The rights of students are balanced by clear responsibilities:

- ✎ The right to learn to the best of their ability
- ✎ The right to feel safe and be safe
- ✎ The right to be treated with dignity and respect
- ✎ The right to live and work in a clean and attractive environment
- ✎ The responsibility to participate fully in all school activities
- ✎ The responsibility to act in a sensible manner at all times
- ✎ The responsibility to treat others with dignity and respect
- ✎ The responsibility to maintain a pleasant and clean school environment

Please **contact the school** if you will be delayed collecting your child in the afternoon.

Procedures

Accidents & Emergencies

In the event of an emergency or accident, resulting in the need of immediate medical attention, an appropriately qualified staff member will attend to affected students. First aid will be administered if appropriate. An ambulance will be called immediately if required. A staff member will endeavour to contact parents to inform them of what has happened and where the student has been taken.

Attendance/Absence

Students are required to attend school each day, and we are required by law to keep records of each student's absences from school. For this reason if your child is unable to attend school, a note must be sent the day the student returns to school giving the reason for the absence.

If you know in advance that your child will be absent, please send a note explaining the circumstances.

Written notice must be provided in advance for any prolonged absences from school such as for holidays during school terms or foreseeable hospitalisation. We strongly urge you to plan holidays outside school term time, as prolonged absences disadvantage your child's learning.

It is also necessary for late arrivals at school to be explained, as a record of partial absences is also kept. Late arrivals must report to the office before going to class.

Parents who need to take their child out of school during school hours, or collect them in the case of illness, are asked to come directly to the office. Do **NOT** go to your child's classroom.

Dental and doctor appointments should be made after school if possible.

Change Of Address And Contact Information

It is most important that you notify the school of any changes.

If your child is ill it is most distressing for him or her when we are unable to contact you because our records are not up-to-date. Please ensure you notify us of any changes to your address and contact information, or the name, relationship and telephone number/s of an emergency contact other than parents.

Collecting Students From School

Students should be collected promptly after school. If you expect to be late at any time, please telephone the school.

If you ask a friend or relative to collect your child from school for you, a telephone call or a note from you advising us of this arrangement would save us and your friends or relatives inconvenience or embarrassment if permission is refused.

Complaints & Concerns

For any complaints or concerns please contact the school.

Custody Arrangements

Please advise us, in writing, of any special custody or access arrangements concerning your children in relation to school. Copies of court orders should be provided where appropriate. All matters of custody are treated confidentially by school staff.

Emergency Procedures

Each term students are involved in emergency drill procedures, so they are prepared in the event of a critical incident e.g. fire. The safety of the students is enhanced if they do not panic but follow procedures that have been repeatedly practiced.

Late Arrivals/Leaving School Early

Late arrivals must report to the school office before the student goes to class. Parents are to come to the school office and complete a notification form if they need to collect a student before the end of the school day.

Money Collection

If your child is required to bring money to school, a letter will be sent home stating the reason and the amount required. Please assist us by putting the money in a sealed envelope clearly marked with your child's name, class, amount and purpose. This should be given by your child to the College Office.

Lost Property

It is essential to have your child's clothing and belongings clearly and permanently identifiable. A name on lost property would enable prompt return to the owner.

Media Events

There are occasions when Xavier College or the Catholic Education Office may wish to include your child's name or photograph in College, CEO, or other publications such as local papers. If you would prefer not to have your child's name or photograph included at any time, please notify the school in writing.

Parking And Site Traffic

Parking is available on the site. While onsite please drive carefully and obey all traffic signs. RTA rules apply to internal roads. The police support us by conducting random speed and traffic checks.

Learning & Teaching

Excursions

Throughout the year students are given the opportunity to take part in a variety of excursions and activities aimed at enhancing the learning which is taking place inside the classroom, as well as building a sense of community amongst the peer group.

Attendance and participation are expected and families are given advance warning of these activities via a letter home. If an excursion letter is misplaced it will be available for download in the Xavier website **Notes & Forms**.

Homework

Homework is an extension of classroom learning opportunities which reinforce, support and enrich learning at school. It also has the potential to further the school—home partnership in the education of the student.

Guidelines

Well designed homework assignments relate directly to class work and extend learning beyond the classroom. Homework is most useful when teachers carefully prepare the assignment, thoroughly explain it, and give prompt comments and criticism when the work is completed.

Examples of homework which may be given:

- ✘ collecting of materials such as newspaper articles or magazine advertisements
- ✘ completing worksheets
- ✘ responding to questions set in class time
- ✘ reading
- ✘ refining artwork
- ✘ assignment work
- ✘ other tasks which reinforce daily work
- ✘ study - review of past work and preparation for lessons ahead

Students will be expected to complete homework on a regular basis.

Failure or inability to complete homework

Teachers will write in the student's diary when a student fails to satisfactorily complete a homework task. It is reasonable to expect that parents respond regarding their child's failure or inability to complete the homework. The students should complete the task or, if not practicable, an alternate task within an agreed timeframe.

Should a pattern emerge during the time period of one term, where a student fails to complete homework without a satisfactory reason, a progression of consequences will result.

- ✘ First non completion of homework - teacher to note in student diary via homework stamp. Student is expected to have it completed by the next lesson/day as decided by the teacher.
- ✘ Second non-completion of homework - teacher will record this in the homework diary via the homework stamp and may organise a lunchtime catch-up of work.
- ✘ Pattern of non-completion of homework - Wednesday afternoon homework club to complete work and a letter sent home to parents.

Students should expect the following as a guide to the total amount of homework per night:

- ✘ Year 7 and 8 - 1 to 1½ hours
- ✘ Year 9 and 10 - 1 to 2 hours
- ✘ Year 11 and 12 - approximately 3 hours

It is recommended that teachers reserve the last five minutes of a lesson to assign homework which students will record in the homework diary. Parents are encouraged to monitor the completion of homework.

Students may borrow up to six resources at one time, either fiction or non fiction. Normal borrowing is for 14 days. All resources in the library may be available for loan (see the teacher librarian, conditions apply). Videos, reference books, and resources being used for current class assignments are strictly overnight loan only. Periodicals are available for seven day loans.

The computers and internet are available at all times from the library for library research purposes. At lunchtime, the internet can be used for school-based research. Printing from the computers is also possible.

To borrow a laptop, students must demonstrate basic computer skills in their Learning Technologies class. Parents or carers are required to pick up the computer from the library, sign for it and return it the following morning.
