

Personalised Pavers

Since Xavier College first opened, families have had two opportunities to purchase a foundation paver with their name on it. Most have been laid behind the PAS, and have a special place in the history of Xavier. The remainder will be laid elsewhere within the College grounds after this current order is complete.

So now is the chance for your family to become 'immortalized in stone' in the form of a personalised paver. Single pavers are being offered at a cost of \$25 each, or doubles (2 pavers) at \$50. There is a maximum of 3 lines, @ 12-14 characters/spaces per line, for a single paver. Doubles can be done horizontally or vertically.

Payment must be made at time of order, or at least before orders are placed with the company. Orders must be made on the attached form, and will be accepted by Thursday, Dec 9th.

Any questions feel free to contact Mandy, 0407959222
